Good Afternoon Ms. Hyatt,

Thank you for submitting the amended application and shipper witness affidavits. Please forgive me if this information has already been provided; however, I have not been able to locate a motion or request for these affidavits to serve as the Applicant's shipper witness testimony in lieu of live testimony or a deposition. The Commission only received the affidavits themselves but no motion. Please advise if the Applicant intends to submit a motion or have shipper witnesses appear live during the hearing.

Also, please disregard my email regarding prefiled testimony as the Application can function as Applicant's prefired direct testimony. However, if Applicant intends to submit prefired testimony outside of the Application, please advise. I apologize for any confusion.

Thanks for your time and cooperation!

With warm regards,

Good Morning,

Attached you will find a courtesy copy of the Prehearing Conference Report, which has been prepared pursuant to Regulation 103-839. Any objections to the report must be filed within ten (10) days. If no objections are filed within that time, the report will be deemed approved by the parties.

**Shipper Witness Affidavits/Certification**

As discussed during the prehearing conference, the letters of support may be submitted as shipper witness affidavits, but because of the pandemic, must also be accompanied by a certification. A number of shipper witness affidavits/certifications have been submitted since the beginning of COVID-19; they are available to view on the Commission's Docket Management System.

Thank you for your assistance in performing the test run. Take care and stay safe!

With warm regards,

**Jerisha Dukes, Esq.**
